The Historian has reported the following Memorial:

### Richard Coulter Oliphant

Richard Coulter Oliphant died at his home in Trenton, New Jersey, on the fourth day of March, of the present year. He had been a member of this Society since May the tenth, eighteen hundred and ninety-two, and had been a faithful attendant at all meetings and showed much interest in its prosperity and advancement. Descended from distinguished ancestry, he never forgot his obligations as a patriotic citizen of America, nor his duty to the public and to consistent honesty of thought or conduct.

Genial, generous, cultivated, intellectual, manly and simple-minded, we shall miss the presence among us which the companionship of eighteen years has taught us to value most highly.

He was descended from Benjamin Campbell, Sr., of Pennsylvania, who served in the New Jersey campaign during the Revolution; also John Oliphant, from Pennsylvania, who served in Hand's Rifle Corps and was present on the skirmish line between Lawrenceville and Princeton, Jan. 2nd, 1777, and also served with Washington at Morristown.

On February 22nd, 1910, a Union Meeting of the Patriotic Societies of the State was held in Trenton, N. J. The first portion of the exercises consisted of a Religious service held in St. Michael's and conducted by the Rev. T. Bond Holland, Rector of the Church, who delivered the sermon on the occasion. At the close of these services the Societies assembled in the State House where the various Societies were received and their flags presented to the meeting. The following Societies were represented :

Colonial Wars  
Colonial Dames  
Sons of the American Revolution  
Daughters of the American Revolution  
War of 1812  
Daughters of 1812  
Washington's Headquarters Association, and  
Sons of the Revolution

The ceremony was concluded with the pledge to the flag repeated by all present.

A patriotic address was delivered by Dr. J. M. Green, of Trenton, upon the subject of the Relations of the Society to the large number of Immigrants reaching this Country every year.

Luncheon was served to the Societies after the address.

At this Meeting a Committee was appointed to urge upon the Committee on appropriations of the State the necessity of securing the publication of all the War Records of the State, and it is pleasant to report that an appropriation of \$3,500 was secured with which to commence this work. The Society has also taken action endorsing the plan proposed by the State Commission appointed to properly mark the place where Washington crossed the Delaware.

Secretary.
